# WHO ARE WE

Welcome to the KDCD Medical Linen Catalogue, your ultimate destination for the finest quality linen manufactured in South Africa. At KDCD, we take immense pride in crafting exceptional linen products that cater to the unique needs of the medical industry. With a commitment to excellence and a passion for innovation, we have established ourselves as a leading name in the field.

When it comes to medical linen, quality is of paramount importance. That's why we go the extra mile to ensure that every item in our collection meets the highest standards. Our state-of-the-art manufacturing facilities utilize cutting-edge technology and adhere to rigorous quality control measures, guaranteeing that each piece of linen is crafted with precision and care.

But we don't stop at providing outstanding products. We understand that branding plays a crucial role in creating a distinctive identity for hospitals and healthcare facilities. That's why we have partnered with renowned interior designer Elzaan Smith, whose exquisite taste in silent style brings a touch of sophistication to our services. Elzaan Smith works closely with our clients, offering expert advice on hospital branding and ensuring that the interior design aligns seamlessly with their vision.

Whether you're looking for crisp and comfortable bed sheets, hygienic and durable patient gowns, or stylish and functional curtains, our catalogue offers a comprehensive range of medical linen solutions. With an array of colors, patterns, and sizes, we strive to provide options that suit every taste and requirement.

We invite you to explore our catalogue and discover the excellence that sets KDCD Medical Linen apart. Experience the exceptional quality of our products, combined with the artistry of Elzaan Smith, to create an environment that exudes professionalism, comfort, and style. Trust KDCD for all your medical linen needs and let us elevate your healthcare facility to new heights.

# WATERPROOF PROTECTORS

Introducing our exceptional waterproof mattress protector, specially designed to provide an added layer of protection for your mattresses. At KDCD, we understand the importance of maintaining a clean and hygienic environment in healthcare facilities. That's why our mattress protector features a TPU (Thermoplastic Polyurethane) lining, offering enhanced protection against any fluids.

Our waterproof mattress protector acts as a reliable barrier, preventing liquids from seeping through and reaching the mattress. The TPU lining creates a waterproof shield that safeguards your mattress against spills, stains, and potential contamination. With this extra layer of protection, you can have peace of mind knowing that your mattresses are well-preserved and free from damage caused by fluids.

We prioritize both functionality and comfort in our mattress protectors. The TPU lining is discreetly incorporated into the design, ensuring that the protector remains breathable and comfortable for the patient. It effectively safeguards against fluids without compromising the overall sleep experience.

Additionally, our mattress protectors are crafted with high-quality materials to ensure durability and longevity. They are easy to clean and maintain, allowing for hassle-free usage in busy healthcare environments.

Choose our waterproof mattress protector to enhance the longevity of your mattresses while providing an additional layer of protection against fluids. Experience the quality, reliability, and peace of mind that comes with KDCD's commitment to excellence in healthcare bedding solutions.

# PATIENT GOWNS

## SHODWE MAGAZINE

At KDCD, crafting customized patient gowns is one of our specialties. We understand the importance of comfort, functionality, and individual preferences when it comes to patient attire. That's why we offer patient gowns tailored to the specifications of each client.

Our patient gowns are available in a wide range of options, including printed fabrics and solid colors, allowing for a personalized touch. We believe that patient gowns should not only provide comfort but also contribute to the overall well-being and dignity of patients.

One of our core principles is ensuring that every patient gown is closed at the back. We recognize the need for proper coverage and privacy, and our gowns are thoughtfully designed to meet these requirements. The back closure adds convenience for healthcare professionals while ensuring that patients feel secure and comfortable during their stay.

By offering customized patient gowns, we empower our clients to choose the style, fabric, and design that aligns with their facility's branding or individual preferences. Whether it's a vibrant printed pattern or a subtle solid color, our gowns are crafted with attention to detail, quality materials, and a focus on enhancing the patient experience.

Trust KDCD to provide patient gowns that prioritize comfort, customization, and functionality. We go the extra mile to ensure that our gowns meet your exact specifications, helping to create a welcoming and dignified environment for patients in healthcare facilities.
